

13<sup>th</sup> September 2018

Dear Parents and Carers

As part of our curriculum the pupils in Owls take part in Food Technology. This is an activity that promotes many different aspects of child development and the opportunities for learning are many and varied. Please let the Class Teacher know if your child has any food allergies.

In order for us to continue this activity we have to provide a range of ingredients and would be grateful if you could make a contribution towards the cost. The cost of this term will be £12.00 per term or £36 for the whole year. We accept online payments (new parents to receive details shortly) via SIMS Agora, or alternatively you can request a Paypoint barcode to use locally. Cash and cheque payments are also accepted.

Pupils will be eating and evaluating during the lesson or during the following day, occasionally taking their creations home.

Yours sincerely

Miss K Hughes  
Class Teacher
