

12th September 2018

Dear Parents & Carers

As part of our curriculum Middle School will take part in Food Technology throughout the year. This is an activity that promotes many different aspects of child development and the opportunities for learning are many and varied. Please let the class teacher know if your child has any food allergies.

In order for us to continue this activity we have to provide a range of ingredients and would be grateful if you could make a contribution towards the cost. This will be £9.00 per term or £27.00 for the year. We accept online payments via SIMS Agora, or alternatively you can request a Paypoint barcode to use locally. Cash and cheque payments are also accepted.

Yours sincerely

Mrs S Simpson
Class Teacher
