Dear Parents and Carers

Swimming is a valuable life skill. It is also a healthy leisure activity that children can take part in with friends and family, and even continue into their adult life. Swimming provides many personal and social development opportunities, such as independent organisation, showering and personal hygiene.

We would like to offer Owl pupils swimming lessons at Brentwood Leisure Centre. However, we can only offer this activity with parents' contributions. The cost to parents would be £3.79 per pupil per week (even if they are absent as their place in the lesson cannot be filled). Lessons are with a qualified swimming instructor.

Swimming will be every Wednesday starting 12th September – 12th December (excluding Wed 26th Sept and 24th Oct).

Please complete the slip below, indicating if you would like your child to have swimming lessons and if you are willing to pay the parental contribution.

Yours sincerely

Miss K Hughes
