

Thriftwood College Students Survey Results April 2024

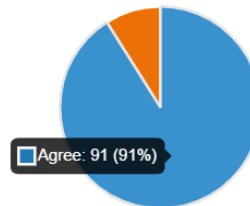

I know who I can talk to at college if I am worried about something

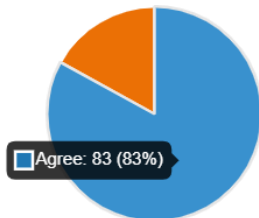

When I share a problem, worry or an idea, I feel I am listened to

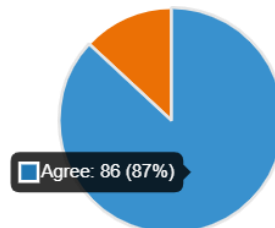

At college, I learn how to stay safe in the community

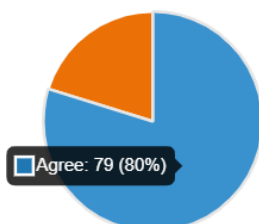

At college, I learn how to stay safe online

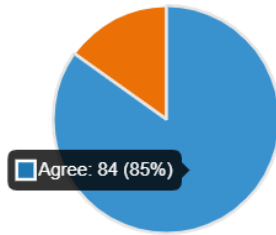

At college, I learn a wide variety of subjects and skills

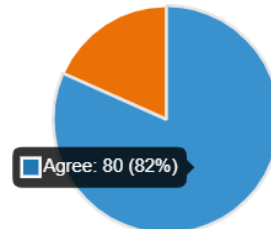

In my lessons I know what I need to do next to improve

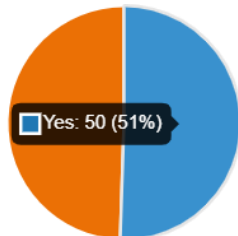

My lessons are at the right level for me and make me think

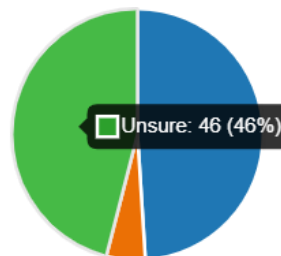

I feel that college is teaching me skills for work

Do you know what accreditation (exams) you are working towards?

Do you feel we are offering you the right accreditation (qualification)?

Tell us about things you enjoy at college

- Cooking, PE, Maths, Music, PSCH, English, Minecraft, D of E, community learning, ICT, Maker lab, fitness, sports and leisure, performing arts

- The school dog

Direct quotes:

"I like Open Mic Night, the fun days, especially the bouncy castles and the ice cream van. I enjoy maths and I like music."

"I do enjoy English the Subjects in English are good And I do enjoy maths its good and some of it is hard but its fun and challenging."

"I enjoy community learning also events , subject's, student voice, also i enjoyed assembly's to the audients. The special one is open mic night. Also i enjoyed options like sport's and leisure and hospitality and catering also horticulture."

"The people the work the sports the fitness."

What could we do better?

Direct quotes

- More music lessons, more sport, cooking and art, science,
- Hot lunches on a Friday. Different pe lessons
- College could re consider the hug rule
- Add More Phone Zone Instead Of Using The Canopy
- Try to get another club open like gaming club on a Thursday again or another chill club on a Monday.
- More than 5 people on the lunch tables
- Train student referees to start before teacher comes.
- Please can you change the name of the chillax.
- When i'm upset I wish there are more options and places to go
- I feel that some staff (not all) but some members of staff sometimes don't listen to students when they are in disagreement with each other.
I feel that some things could maybe be planned better such as lessons and be slightly more prepared in situations when things haven't gone to plan.
- Focus more providing feedback on my work.
- Nothing its a good college :)
- Have a swing in the playground.
- I would like more singing and dancing lessons.
- More range of desserts at lunchtime.
- I don't really think there's anything you could do better, I cant think of anything :)
- Fran could check on students more often
Fran's always busy so we could maybe have another Fran
