

## The Thriftwood Code

Show Respect

Work Hard

Be Kind

Be Friendly

Listen well

Tell the Truth

Take Care of Property

# Thriftwood School

## Primary Curriculum Summary

### Homework- Fundamentals For the Future

All pupils are expected to **share a book** with an adult every day.  
Please write a comment in the reading record book.

In school, we work on skills that are fundamental for the future.  
Please support us by working the following at home too:

Identify basic emotions and link to the Zones of Regulation

Tell an adult when hurt

Put on own clothes

Do up zips, velcro and buttons

Brush own hair

Clean own teeth

Wipe own bottom

Independently shower and wash effectively

Play a turn taking game

Buckle a seat belt

Use a knife and fork to cut and eat

Set a table

Do the washing up and fill/empty the dishwasher

Pick up and take care of own belongings

Share online concerns with an adult

## Into the Woods

Autumn 2022

Miss Burchett, Mrs Green, Ms Huson and Mrs Sheffle

# Into the Woods

## Computing

E-safety- we will be learning how to stay safe while using the internet, talking about our use of devices, finding a healthy balance and agreeing on rules for internet use.  
Multimedia- we will use a range of computer equipment; desktop computer, iPads, camera, recording equipment, small programmable toys to support our English, Maths, Science and Topic lessons.

## English

All classes will share many stories set in the woods. Each class will explore a story in depth.  
Robin – ‘We are Going on a Bear Hunt’. Sequencing, character emotions and word building.  
Puffin – ‘Where the Wild Things Are’ Sequencing a story and constructing simple sentences.  
Kingfisher – ‘Where the Wild Things Are’ Writing descriptions of the setting and characters.  
Letters and lists will be taught as we build up to the end of term.

**Phonics-** Bug Club Phonics Phase 2/3/4/5

## Maths

Counting skills  
Place value  
Addition and subtraction  
Time and money  
Solving practical problems

## PHSE

All about me  
Zones of Regulation-  
recognising emotions  
and tools for regulation

## Fundamentals for the Future

Across the three classes, we will teach key skills for the future in to help the pupils to transfer these skills from one lesson or activity to the next. This term we will be developing the pupils’ independence, speaking and listening skills in all areas of school life; taking responsibility of their own belongings, starting learning tasks independently, following a series of instructions, taking turns in a game and getting changed for PE.

## Parent Events

Meet the Teacher  
One Plan meetings  
Winter production  
Carols around the tree

## Science, Art, RE and Topic

Animals, habitats and classification  
Natural seasonal changes and caring
