14th July 2026

Dear Students and Parents/Carers,

Results Release – Thursday 20th August 2026

We hope you are all well and enjoying your extended summer holiday.

For those students who have been entered for accreditation this year, we would like to clarify the results process.

In a previous email regarding accreditation, a Parents' Frequently Asked Questions handout was shared. The information below is provided as a reminder:

When and how will results be issued?

Results will be released on Thursday 20th August 2026.

Results can only be given to the candidate (student) who took the examination.

Our preferred method is to send results digitally to the student via email. We therefore ask that you provide a personal email address for the student, as their college email address is no longer accessible.

If we do not receive a personal email address, a provisional statement of results will be posted on that day, marked for the attention of the student, using the address we hold on Arbor, our Management Information System.

It is important that student contact details are kept up to date via the Arbor app or by contacting the college office team at admin@thriftwoodcollege.com.

If you would prefer to receive the outcome by telephone on results day, a member of staff will be available to take your call between 10.00am and 12.00pm.

A confirmed statement of results will be available in November 2026. Students who remain at college will receive certificate(s) during a Celebration Assembly, held during the college day.

For students who have moved on and no longer attend college, certificates will be presented at a Leavers' Presentation Event on Wednesday 2nd December 2026 from 5.30pm-6.30pm, with further details to follow during the Autumn Term.

If you have any questions regarding results or the accreditation process, please do not hesitate to contact us.

With kindest regards

Kirsty Mountain
