This policy is reviewed and updated annually to ensure that overnight supervision arrangements at Thriftwood School & College are awarded and managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ document **Instructions for conducting examinations**.

## **Purpose of the policy**

This purpose of this policy is to confirm that Thriftwood School & College:

- follows the correct procedures when considering the arrangements for a candidate entered for multiple examinations timetabled for the same day
- reserves the right to exercise discretion when considering allowing a candidate to take an examination the following morning
- has appropriate arrangements in place to maintain the security and integrity of the examination(s)

## **1. Overnight supervision arrangements**

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for GCE examinations (AS, A2, A-level), including approved extra time allowances and/or supervised rest breaks, or
- more than five and a half hours for GCSE examinations, including approved extra time allowances and/or supervised rest breaks

candidates may, at the centre's discretion, be allowed to take an examination scheduled for the afternoon session the following morning, including Saturdays. (ICE 8.1)

HOWEVER, we do not offer A Levels (GCE examinations) and we only offer English and Maths examinations (Entry Level Certificate - NEA, Functional Skills and GCSE) therefore this does not apply.

- These arrangements do not apply where a GCSE candidate has five and a half hours or less of examinations in one day or where a GCE AS or A-level candidate has six hours or less of examinations in one day (ICE 8.1)
- Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted (ICE 8)
- The head of centre must be satisfied with any arrangement for overnight supervision of a candidate where necessary and must accept full responsibility for the security of the examination throughout (ICE 8)
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1)
- The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone, e-mail, internet and social media. It also extends to television and radio, which could report key details of the day's examinations (ICE 8.3)

## **2. Roles and responsibilities**

### **The role of the head of centre**

- Ensure where a candidate takes an examination the following morning, a member of centre staff or an invigilator is appointed to supervise the candidate at all times while the candidate is on the premises sitting examinations (ICE 8.2)
- Be satisfied that the arrangements maintain the integrity and security of the examination (ICE 8.6)
- Inform the relevant awarding body immediately of any known or suspected contravention of the arrangements for overnight supervision of a candidate (ICE 8.6)

Additional responsibilities:

Not applicable.

### **The role of the exams office/officer**

- Ensure the JCQ **Overnight Supervision** and **Overnight Supervision Declaration** forms are completed before the overnight supervision is to commence (ICE 8.5)
- Confirm the supervision of a candidate on journeys to and from the centre and overnight may be undertaken by the candidate's parent/carer or centre staff, determining a method of supervision which ensures the candidate's wellbeing (ICE 8.3)
- Download the JCQ **Overnight Supervision Declaration** form for signing by the candidate, the supervisor and the head of centre (ICE 8.5)
- Inform the parties involved that any infringement of the conditions governing overnight supervision arrangements may lead to the awarding body being unable to accept the script and/or the application of sanctions as detailed in the JCQ document **Suspected Malpractice: Policies and Procedures** (ICE 8.6)
- Keep all completed forms available for inspection until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later, and not send to an awarding body, unless specifically requested (ICE 8.6)
- Ensure where a candidate takes an examination the following morning, the candidate is under centre supervision from 30 minutes after the awarding body's published starting time for the delayed examination and ensure there is no contact with other candidates (ICE 8.2)
- If a candidate is allowed to take an examination on a later day than other candidates at the centre, ensure all copies of the question paper used on the scheduled day of the examination are sealed in an envelope and returned to the centre's secure storage facility until all candidates at the centre have taken the examination (ICE 8.9)
