Chelmsford College

Bespoke Course
This offers young adults with SEND a chance to develop essential life skills that can progress them onto a variety of pathways, including vocational courses, employment, and supported living.

Foundation Provision
This pathway has several courses within it, ranging from Employment to Life Skills and Independence, depending on the individual learner's aims.

Mainstream Courses
Mainstream vocational courses starting at Entry Level 3 for Construction Multi Skills (including bricklaying, carpentry, plumbing, painting and decorating) and Hair & Beauty. Level 1 and Level 2 courses including Art, Business, Carpentry, Engineering and Electrical.

Colchester Institute (Braintree Campus)

Foundation Studies and Supported Learning:

Personal and Social Development
This aims to provide a progression route to supported employment / employment and or further study.

Progression / Award in Enabling Progression
This pathway is a one-year study programme that provides a progression route to employment, vocational study and or apprenticeship.

Skills for Independence / Award in Independent Living
This pathway is for students who complex or severe learning difficulties and require very high levels of additional support.
