

Pupil Outcomes

Our learners achieve a wide range of qualifications (in years 11 and 13), which are selected to appropriately challenge, based on the learner's starting point and stage of development, including:

- English (Language) and maths GCSE
- English and maths Functional Skills (Level 1 and 2)
- English and maths (Entry Levels)
- Non-Qualification English and Maths Units for learners below Entry Level (AQA Unit Award Scheme)
- A variety of AQA Unit Award Scheme within vocational subjects (learners expected to achieve 1 unit award per term, per vocational subject)
- Digital Functional Skills (Entry 3 / Functional Skills Level 1)
- Sports Leaders (Level 1)
- Duke of Edinburgh Bronze Award (Years 10/11 core curriculum strand, and an option in KS5)
