Chelmsford College

Bespoke - This offers young adults with SEND a chance to develop essential life skills that can progress them onto a variety of pathways, including vocational courses, employment, and supported living.

Foundation provision -This pathway has several courses within it, ranging from Employment to Life Skills and Independence, depending on the individual learner's aims.

Gateway Provision - This pathway hosts our Prince's Trust Team Programme and Personal Development programmes. These courses help learners progress to the next stage of their journey, whether it is by pursuing further education or looking for employment. Level 1 / 2

Mainstream Courses – Mainstream vocational courses at Level 1 and Level 2 including Art, Construction (Bricklaying, Plumbing, Painting and Decorating and Carpentry), Business.

Public Services qualifications equip you with the skills required to work in critical roles that are significant to our society, such as Police Officers, Firefighters, or members of the armed forces.

Colchester Institute

Steps at Braintree- STEPS programmes focus on helping young people with individual learning needs to make a successful transition to Further Education, adult life and the world of work. A student's starting point on STEPS is informed by their learning and progression goals, and assessment of support needs. The curriculum offer extends from Entry level to Level 1 and includes a wide range of exciting subjects
