

ENRICH Project

ENRICH Focus: Disability Awareness

Guest Speaker: Javed Moore

On Thursday 22nd February 2018 we will be holding our first ENRICH Project session at Thriftwood College. The ENRICH Project sessions aim to raise awareness of topics and issues relevant to the students throughout their everyday lives. The sessions will allow the opportunity to develop understanding, knowledge and enhance learning.

Our first ENRICH Project is focusing on Disability Awareness. We have a guest speaker Javed Moore who will be delivering a motivational speech and sharing his story highlighting disability awareness. Javed is a 26yr old man from London who has a passion for inspiring the young minds of today. He has cerebral palsy and cannot speak without the help of a computer.
